Garden Window*

Bring the Outdoors In

Why Choose a Garden Window?

Garden Windows add light and space to any room and provide you with a place to showcase your collectibles or grow plants year-round. Imagine being able to pick fresh herbs from your kitchen every time you cook, or smell the sweet scent of flowers every time you walk into your home office. A Seaway Garden Window could be the perfect finishing touch you have been looking for.

Seaway's Garden Windows feature fully screened twin-sealing side vents that open a full 90 degrees to allow for maximum ventilation on a breezy day. Multi-point locking systems keep out the cold and provide a tighter seal for added security. With a wide variety of colors and finishing options, you can customize your Garden Window to achieve the optimum balance of beauty and performance for your home's unique needs.

Colors and Options

- Frame colors are available in White and Beige, and exterior coating is available in Champagne and Cocoa.
- Custom color coating is also available so your garden window can match any home's exterior perfectly.
- Head board, seat board, and jamb are available in Birch or Oak veneer and White or Beige high-pressure laminate. Special order interior options include, Light Oak, Dark Oak, or Cherry high-pressure laminate.
- Windows with a Birch or Oak interior can be provided pre-stained with a variety of stains and sealants.

- An acrylic solid surface seat board is available in White, Beige, Vanilla Sugar, Platinum Granite, Black Pearl, or White Quartz.
- Interior LED lighting that is cool to the touch (hard wired only).
- The optional "Bullnose Edging and Interior Trim Kit" provides pre-cut casing and valance.

Every Seaway Garden Window is custom made to your exact specifications and is shipped completely assembled, ready to install.

Seaway's Garden Window is the only vinyl Garden Window on the market today with an AAMA certified DP-50 (R-50) rating for units 60.5 x 60.5 inches and smaller.*

- Fully welded, rigid PVC frame for greater strength and stability.
- Vinyl frame will not chip, rot, or peel and will never need to be painted.
- Clear 1-inch insulated glass package.
- Top slope insulating glass (a constant 35-degree pitch) is tempered for improved safety and integrity.
- The projection of the window from the exterior wall face is a constant 17 inches.
- Available for remodeling and new construction applications.

*Although units of a larger size do not have the same R-50 "Coastal Rating," they still provide all of the same features and options of the smaller sizes.

Additional Structural and Security Features

- Both vents and deadlites have a built-in weep system and external glazing.
- Snap-in sill cover for the seatboard provides aesthetic appeal and weather resistance.
- Exterior grade plywood headboard, seatboard and jamb are 1-1/4-inch for improved structural and thermal performance.
- Standard Garden Window jamb depths are 4-9/16, 5-1/4, 6-9/16, and 11 inches. Custom jamb depths are also available to fit any application.

Operating Sash

- Locks and operators are conveniently mounted to the inside front area for easy access.
- Operators are sealed to prevent air and water infiltration.
- Twin-sealing operating casements include external glazing for superior weather protection.
- Multi-point locking system provides a tighter seal for added security.

Additional Options

- Glass options include high performance Low-E, V-groove, and a variety of grid designs.
- Highly recommended: Waterproof, 1-inch thick insulation board can be installed under the seatboard to increase the "R" value to 6.22.
- One or more adjustable glass shelves with polished edges, brackets and standards. Depending upon the length of the shelf, the glass thickness will be either 3/8-inch or 1/2-inch.
- Impact rated vinyl Garden Windows are also available. Ask your Seaway dealer for details.

Color samples may vary slightly from the actual color finishes due to the limitations of the printing process. Please see your authorized Seaway dealer for an actual sample of finishes. Due to product changes, improvements, and other factors, Seaway Manufacturing Corporation reserves the right to change or delete products described herein without prior notice. Every consumer is encouraged to carefully examine our products, warranties, and reputation. Seaway makes every attempt to choose only the most outstanding, independent remodeling companies to distribute our products. We do not control or take responsibility for the actions or conduct of contractors that may sell or install Seaway Garden Windows.
